## Gauge piece

### VD II for fuse base E27

| $I_n$<br>[A] | colour | code No.  | weight<br>[g] | packaging<br>[pcs] |
|--------------|--------|-----------|---------------|--------------------|
| 2            | pink   | 002342001 | 13            | 25/1500            |
| 4            | brown  | 002342002 | 13            | 25/1500            |
| 6            | green  | 002342003 | 13            | 25/1500            |
| 10           | red    | 002342004 | 11            | 25/1500            |
| 16           | grey   | 002342005 | 11            | 25/1500            |
| 20           | blue   | 002342006 | 11            | 25/1500            |
| 25           | yellow | 002342007 | 11            | 25/1500            |

### VD III for fuse base E33

| $I_n$<br>[A] | colour | code No.  | weight<br>[g] | packaging<br>[pcs] |
|--------------|--------|-----------|---------------|--------------------|
| 35           | black  | 002343001 | 19            | 25/850             |
| 50           | white  | 002343002 | 18            | 25/850             |
| 63           | copper | 002343003 | 16            | 25/850             |

## Fuse carrier D

### Fuse carrier K DII

| type  | I <sub>n</sub><br>[A] | code No.  | screw | weight<br>[g] | packaging<br>[pcs] |
|-------|-----------------------|-----------|-------|---------------|--------------------|
| K DII | 25                    | 002332003 | E 27  | 35            | 50/600             |

### Fuse carrier K DIII

| type   | I <sub>n</sub><br>[A] | code No.  | screw | weight<br>[g] | packaging<br>[pcs] |
|--------|-----------------------|-----------|-------|---------------|--------------------|
| K DIII | 63                    | 002333002 | E 33  | 59            | 30/360             |

## Protection cover

### 1-pole protection cover for fuse base

| type     | I <sub>n</sub><br>[A] | code No.  | screw | weight<br>[g] | packaging<br>[pcs] |
|----------|-----------------------|-----------|-------|---------------|--------------------|
| EZN, EZV | 25                    | 002352001 | E 27  | 16            | 30/390             |
| EZN, EZV | 63                    | 002353002 | E 33  | 12            | 30/360             |

### 3-pole protection cover for fuse base

| type          | code No.  | weight<br>[g] | packaging<br>[pcs] |
|---------------|-----------|---------------|--------------------|
| EZN, EZV 25/3 | 002352003 | 40            | 12/120             |
| EZN, EZV 63/3 | 002353004 | 40            | 12/120             |

## Busbar system for 1-pole fuse base EZR

### Busbar for fuse base EZR

| type | I <sub>n</sub><br>[A] | code No.  | screw | weight<br>[g] | packaging<br>[pcs] |
|------|-----------------------|-----------|-------|---------------|--------------------|
| EZR  | 25                    | 002923032 | E 27  | 380           | 50                 |
| EZR  | 63                    | 002923033 | E 33  | 380           | 50                 |

### Terminal for neutral terminal and busbar EZR

| code No.  | for cross section<br>[mm <sup>2</sup> ] | weight<br>[g] | packaging<br>[pcs] |
|-----------|---|---------------|--------------------|
| 002923040 | 16                                      | 9             | 100/2200           |
| 002923041 | 35                                      | 21            | 100/2200           |
